

## **ADMISSION POLICY FOR OUTWOOD ACADEMY ACKLAM, OUTWOOD ACADEMY ORMESBY AND OUTWOOD ACADEMY RIVERSIDE 2025/26**

The admission authority for Outwood Academies is Outwood Grange Academies Trust. The admission numbers have been determined for 2025/26 as:

Outwood Academy Acklam:	240
Outwood Academy Ormesby:	180
Outwood Academy Riverside:	210

### **Admission Numbers**

School admission numbers are set with regard to the physical capacity of each school.

The admission number will apply to the relevant intake year only. (Y7 for secondary schools). The admission number will remain the same for the relevant year group throughout the progression of the year group through the school.

### **Application Procedures and Timetables**

It is proposed that the timetable for Secondary Admissions Schemes for 2025/26 is similar to previous years and takes into account the statutory dates in the School Admissions Code.

The full timetable for secondary school admission arrangements is detailed in the LAs Admissions Scheme (separate document) which has been adopted by the academies.

Parents/carers will be able to make on-line applications for admissions for the 2025/26 school year via the Middlesbrough Council web site [www.middlesbrough.gov.uk](http://www.middlesbrough.gov.uk). In the case of, Outwood Academy Riverside the distance will be the child's main home address to the main entrance of the permanent school site at Pioneering Way, Middlesbrough TS2 1DH.

#### **i. Secondary Schools**

Early in September 2024, parents/carers of Year 6 pupils will be provided with an application pack and invited to express up to three preferences for secondary schools, including academies, voluntary aided schools and schools maintained by other Local Authorities.

Parents/carers will be requested to make their applications by a closing date of 31 October 2024. Every effort will be made by the Local Authority to ensure that applications are received by the closing date, however the responsibility for applying remains with the parent / guardian.

All applications will be processed in accordance with Middlesbrough's Co-ordinated Admission Scheme and all preferences are considered equally. Parents/carers will be informed of their child's allocated school place on 1st March 2025.

## **Over-Subscription Criteria**

Where more parents/carers have expressed a preference for a particular school than the admission number, the Authority must apply its over-subscription criteria in deciding which parents/carers preferences can be met. After the admission of pupils with Statements of Special Educational Needs or an Education, Health and Care Plan where a particular school is named in the Statement or Plan, the remaining places will be awarded in the following priority order;

### **Secondary School Admissions**

- i) 'Children looked after' (in public care), and children previously 'looked after', but ceased to be so because they were adopted\* immediately following having been looked after. (\* or became subject to a child arrangements order or special guardianship order). This includes those who appear to have been in state care outside of England and ceased to be in state care as a result of being adopted. See Note 1
- ii) Pupils who will have a brother and/or step brother and/or sister and/or step sister or the child of the parent/carer's partner living at the same address attending the school in the September of admission. See Note 2
- iii) Pupils with exceptional social and / or medical reasons for attending the school, which in the latter circumstances are substantiated by the LA medical advisors. A letter from the child's GP or other relevant professional such as a social worker must be submitted with the application. Social reasons do not include domestic arrangements such as parents working commitments or childcare arrangements. Exceptional circumstances such as parents who have a disability, which may mean their child must attend a particular school, will be considered. (In this instance a letter from the parent's GP or other relevant professional such as a social worker must be submitted with the application). The supporting letter should detail why the school (s) applied for is / are the only one (s) that can accommodate the child. See Note 3
- iv) Pupils who reside closest to the school as determined by a straight line distance measurement; from the address point for the child's home to the identified main school gate, using the Local Authority's computerised measuring system, with those living closer to the school receiving the higher priority.

When distinguishing between pupils within the same criteria the pupil with the highest second criteria will be admitted.

Should it not be possible to separate two or more applications, for example two applicants who live at an equal distance from the school, the Local Authority's computerised system will use random selection.

Note 1 A 'looked after child' is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in Section 22(1) of the Children Act 1989) at the time of making an application to a school. A child is regarded as having been in state care outside of England if they were in the care of or were accommodated by a public authority, a religious organisation, or any other provider of care whose sole or main purpose is to benefit society. This includes children who were adopted under the Adoption Act 1976 (see Section 12 adoption orders) and children who were adopted under the Adoption and Children Act 2002 (see Section 46 adoption orders). A 'child arrangements order' is an order settling the arrangements to be made as to the person with whom the child is to live under Section 8 of the Children Act 1989 as amended by Section 14 of the Children and Families Act 2014. Section 14A of the Children Act 1989 defines a 'special guardianship order' as an order appointing one or more individuals to be a child's special guardian (or special guardians).

Relevant evidence must be provided such as copy of the adoption certificate or court order plus details of when and where the child was in care and names and contact details of social workers involved. If relevant evidence is not provided the child cannot be considered under this criteria.

Note 2. For consideration under the sibling criteria, the sibling must still attend the school at the time when the child for whom the place is sought joins the school.

Note 3. Full details must be submitted at the time of application. If you have any concerns or need any guidance about what might be classed as exceptional social or medical reasons, or what evidence may be submitted, please contact the Admissions Team to discuss the matter in confidence before you submit your application. Applications submitted with evidence appertaining to exceptional social and or medical reasons may be shared with and discussed at an admissions panel meeting which can include professionals such as a doctor, educational psychologist, social worker etc who will give opinions and make decisions on whether the application fits the criteria.

### **Twins or Multiple Birth Children**

If you have more than one child who are twins or part of a multiple birth going through the application process this year, you must make a separate application for each child and indicate on each online or paper form that your child has a sibling also going through the process. A place will be offered to the other child(ren) if one of your twins/multiple birth children is offered the last place available and you have applied to the same school for the other child(ren).

### **Late Applications**

The LA will accept applications which are received late only when there is evidence of an exceptional circumstance which prevented submission by the stated deadline and only if the application is received before the date the allocation procedures begin. These will then be treated in the same way as all other applications. Examples of an exceptional circumstance may include when a single parent has been ill for some time, or a family has just moved into the area or returned from abroad. In the event of a late application not being accepted or

receipt is after the date the allocation procedures begin, and the school(s) requested are oversubscribed, then places will be offered at the school nearest to the home address with places available.

Where families have moved to a new address after places have been allocated, preferences will only be agreed if places remain available in the preferred school. If the preferred school is full, a place will be offered at the school closest to the home address with places available.

### **Right of Appeal**

Parents/guardians whose child has been refused a school place, for which they have applied, will be offered the right to appeal against the Admission Authority's decision

### **Re-allocation of Places, which become available before Appeal Hearings**

Where places become available prior to an appeal hearing, they will be allocated from the waiting list in accordance with the over-subscription criteria.

### **Waiting Lists**

Waiting lists will be maintained for those unsuccessful at gaining a place at their preferred school for admission to Year 7 (secondary). The waiting lists will be maintained in order of the oversubscription criteria set out above and not in the order in which applications are received or added to the list. The waiting lists will be held open until the 31 December 2025, after which time they will close.

### **Admission of children outside their normal age group**

In exceptional circumstances parents may seek a place for their child outside their normal age group, for example, if the child is gifted and talented or has experienced problems such as ill health.

If a parent wishes their child to be admitted outside their normal age group then this must be made clear on their application to the Local Authority for a school place. Relevant information must be submitted with the application such as information about the child's academic, social and emotional development, this should include third party evidence such as medical history and the views of a medical professional and / or information from previous educational establishments or any other information the parent think is relevant.

The application will be considered by the admissions authority of the school/schools to which the application is made. A decision will be made as to whether the child can be admitted to that school outside the normal age group. If the school refuses to admit the child outside the normal age group relevant reasons will be provided. Parents have a statutory right to appeal against the refusal of a place at a school for which they have applied. This right does not apply if they are offered a place at the school but it is not in their preferred age group.

Parents should be aware that schools and admission authorities cannot be required to honour a decision made by another school or authority on admission out of the normal age

group, if a place is not available at the school/schools that have agreed to the request, other schools may insist the child is admitted to the correct year group. This may also apply to children moving later in their school life from primary school to secondary school, if the child is due to move into Y7 (the first year of secondary school), the secondary school may insist the child be admitted to the correct year group according to their date of birth.

If you would like to discuss this further, please contact the School Admissions Team or the Head Teacher of the schools you may be interested in applying for.

### **Child's Home Address**

A child's home address, for the purpose of School Admissions, is considered to be the parents or legal carers permanent address. If parents do not live together and your child lives for periods of time with each parent, the home address will be the one where the parent receiving the Child Benefit lives.

Proof of address may be required (see below for details of evidence which may be requested).

Parents must not give the address of child minders, grandparents or other family members or friends who may share in the care of the child.

If parents move house during the application and allocation process, parents must inform the School Admissions section immediately as this could have an effect on which school the child is allocated. Proof of address move will be required; two pieces of evidence must be submitted such as Child Benefit Letter, Child Tax Credit letter, Council Tax bill, tenancy agreement, solicitor's letter confirming house sale, bank and credit card statements. Due to the coordinated admissions processes, the address used for allocation process will be the address at the time the allocation process begins (please note places can be finalised several weeks before offer letters/emails are released to parents/guardians, therefore if you are moving house around this time, please contact the Admissions team for guidance or refer to the 'Primary and Secondary Education in Middlesbrough – A Guide for Parents 2025 – 2026'. It is the responsibility of the parent to ensure that the School Admissions Team are provided with the correct address and / or any address change details with any relevant evidence.

The LA will not consider temporary addresses as being the parental address. This means that if, for example, you live temporarily with other family members or move to temporary accommodation for any reason, the parental address will remain at the address at which you were living before the temporary move took place.

### **False and Misleading Information**

The LA reserves the right to withdraw the offer of a place or, where a child is already attending the school, the place itself, where it is satisfied that the offer or place was obtained by deception.

### **Choice Adviser**

The Local Authority has a Choice Adviser who is independent of the admissions process and will be able to offer advice to parents on the admissions process. The Choice Adviser can be contacted on 01642 201872.
