KEY FEATURES	**ACADEMIES OFFER**
Part A: Curriculum Music	
Timetabled curriculum music of at least one hour each week of the school year for key stages 1 to 3	Curriculum goes beyond level of the national curriculum, seeking to address social disadvantage by addressing gaps in knowledge, skills and experiences; Music assembly every Tuesday with a variety of singing, music history and theory; Timetabled music lesson for children in Reception to Year 6 (minimum cumulative 1 hour time weekly) Charanga Model Music Curriculum - Charanga's English Model Music Curriculum Scheme is aligned with the National Curriculum for Music and the non-statutory Model Music Curriculum (MMC) Guidance published by the DfE in 2021. - Children learn through clearly-sequenced units and lessons each week. - The scheme follows a spiral approach to musical learning, with children revisiting, building and extending their knowledge and skills incrementally. In this manner, children's learning is consolidated and augmented, increasing musical confidence and enabling them to go further. - Songs are at the heart of each lesson with a focus on developing musicianship skills, listening and appraising, singing, performing, composing and improvising exercises. - Children in KS1 use untuned percussion along with chime bars to develop their knowledge and understanding of musical notation (beginning playing by ear). In KS2 children progress to lessons using glockenspiels as part of classroom music lessons further developing the playing challenges to develop their knowledge and understanding of musical notation further. (These musical parts offer a progression of difficulty). SEND - Pupils with SEND are able to participate and progress well (supported by technology, tools and adapted instruments) Space and resources allow breadth of curriculum for all students, including music technology -
