

OUTWOOD ACADEMY

BYDALES

ENRICHMENT

SPRING TERM

2024 - 2025

What is Enrichment?

Although formal lessons end at 2.30pm, the Academy day does not. Students are able to choose from a fantastic range of after-school Enrichment activities and clubs, both academic and non-academic.

We are incredibly proud that we are running over 50 hours of Enrichment each week. Sessions are typically 2.30pm – 3.30pm, although some go on later than this. All sessions run on weekday afternoons by staff volunteers.

Enrichment is overseen by Mrs Woodward who is always happy to help with any queries (l.woodward@bydales.outwood.com) or alternatively you can speak to the staff member leading each enrichment directly. The names of the relevant staff can be found within this booklet.

Why attend Enrichment?

There are two main reasons to attend the after-school activities on offer. Firstly, catch up sessions are a fantastic tool to help accelerate your academic achievement. Whether you missed a lesson, want to improve your depth of knowledge or need help with coursework then catch-up sessions will provide you with one-to-one tuition from a range of staff in different departments.

Secondly, Enrichment activities allow you to gain experience and skills in areas not typically part of your everyday curriculum. Enhancing your personal attributes by opting to gain new experiences is extremely desirable to future employers and higher education providers.

Who can attend?

Everyone! Whichever year group you are in, there are Enrichment sessions to choose from. For GCSE students, your teachers will let you know if they think you will benefit from academic Enrichment in a specific subject.

What is available?

We are doing our best to provide a rich variety of Enrichment sessions across the school. Whatever your needs or interests there are activities to get involved with. The selection of activities are organised by day and year group. If there's an Enrichment you would like to take part in that isn't currently offered, please voice this to Mrs Woodward.

Is it safe?

All Enrichment sessions adhere to current government guidelines and use the same safety procedures we use in lessons.

What happens if an Enrichment has to be cancelled?

Occasionally Enrichment sessions may need to be cancelled, such as when there is bad weather or a key member of staff is absent. You will be able to telephone a parent/carer and can stay in the Academy until you can plan your journey home.

MONDAY

Enrichment Activity	Description	Year Group	Staff Lead	Room and Time
