

OUTWOOD ACADEMY BYDALES

ENRICHMENT

SUMMER TERM 2025

WHAT WILL YOU EXPLORE NEXT?

What is Enrichment?

Although formal lessons end at 2.30pm, the Academy day does not. Students are able to choose from a fantastic range of after-school Enrichment activities and clubs, both academic and non-academic.

We are incredibly proud that we are running over 50 hours of Enrichment each week. Sessions are typically 2.30pm – 3.30pm, although some go on later than this. All sessions run on weekday afternoons by staff volunteers.

Enrichment is overseen by Mrs Woodward who is always happy to help with any queries (l.woodward@bydales.outwood.com) or alternatively you can speak to the staff member leading each Enrichment directly. The names of the relevant staff can be found within this booklet.

Why attend Enrichment?

There are two main reasons to attend the after-school activities on offer. Firstly, catch up sessions are a fantastic tool to help accelerate your academic achievement. Whether you missed a lesson, want to improve your depth of knowledge or need help with coursework then catch-up sessions will provide you with one-to-one tuition from a range of staff in different departments.

Secondly, Enrichment activities allow you to gain experience and skills in areas not typically part of your everyday curriculum. Enhancing your personal attributes by opting to gain new experiences is extremely desirable to future employers and higher education providers.

MONDAY

Enrichment Activity	Description	Year Group	Staff Lead	Room and Time
