

Enrichment

Outwood Academy Bydales

AUTUMN TERM

2025/2026

BYDALES

What is Enrichment?

Although formal lessons end at 2.50pm, the academy day does not. Students are able to choose from a fantastic range of after-school enrichment activities and clubs, both academic and non-academic.

Sessions are now either 2:50-3:30pm or 2:50-3:50pm.

Enrichment is overseen by Miss Fellows who is always happy to help with any queries (e.fellows@bydales.outwood.com) or alternatively you can contact the staff member leading each enrichment directly via email. The names of the relevant staff can be found within this booklet and all staff emails use the format: [first initial].[surname]@bydales.outwood.com.

Why attend Enrichment?

There are two main reasons to attend the after-school activities on offer. Firstly, catch up sessions are a fantastic tool to help accelerate your academic achievement. Whether you missed a lesson, want to improve your depth of knowledge or need help with coursework then catch-up sessions will provide you with one-to-one tuition from a range of staff in different departments.

Secondly, enrichment activities allow you to gain experience and skills in areas not typically part of your everyday curriculum. Enhancing your personal attributes by opting to gain new experiences is extremely desirable to future employers and higher education providers.

Who can attend?

Everyone! Whichever year group you are in, there are after-academy sessions to choose from. For GCSE students, your teachers will let you know if they think you will benefit from academic enrichment in a specific subject.

What is available?

We are doing our best to provide a rich variety of enrichments across the school. Whatever your needs or interests there are activities to get involved with. The selection of activities are organised by day and year group. If there's an Enrichment you would like to take part in that isn't currently offered, please voice this to Miss Fellows.

Is it safe?

All enrichment sessions adhere to current government guidelines and use the same safety procedures we use in lessons.

What happens if an Enrichment has to be cancelled?

Although we will always try to avoid it, occasionally enrichment sessions may need to be cancelled, such as when there is bad weather or a key member of staff is absent. You will be able to telephone a parent/carer and can stay in the academy until you can plan your journey home. The Academy will send an email as soon as possible if an enrichment is cancelled.

MONDAY
