In this manner, children's learning is consolidated and augmented, increasing musical confidence and enabling them to go further. - Songs are at the heart of each lesson with a focus on developing musicianship skills, listening and appraising, singing, performing, composing and improvising exercises. - Children in KS1 use untuned percussion along with chime bars to develop their knowledge and understanding of musical notation (beginning playing by ear). In KS2 children progress to lessons using glockenspiels as part of classroom music lessons further developing the playing challenges to develop their knowledge and understanding of musical notation further.
