

Outwood Academy Brumby (Covid) Catch Up Plan

Covid catch up cohort = Those children who have fallen behind as a result of the extended school closure period due to Covid 19 and are in need of some specific targeted catch up work to address these gaps.

Catch up plans

Identify

Identify the students who have fallen behind as a result of time lost due to Covid 19.

Gather information from HoDs, teachers and Learning Managers.

Establish what the gaps are

- Be specific - subject, topic, key learning points etc
- Is the issue more related to confidence than subject content?

Quality first wave teaching remains the most effective way for students to catch up but for some,specific targeted intervention will be required.

Intervention

Intervention	Details	Costing	Children benefiting
1 to 1 Tutors	1 to 1 Tutors work predominantly with Y11 students to 'fill the gaps' targeting specific students. Deploy to year Y10 summer term.	Reallocation and redeployment of existing 1 to 1 Tutors	Approx. 100+

Mental Health support	For those students struggling with issues such as self-confidence and self-esteem following the lockdown/closure period. External counselling provided via "Solutions"	£10.5k	Approx.
Days at specialist off site provision to re engage students	For those students who find it difficult to re engage with full time provision following long periods of on line learning. A number of provisions are used, these provide intervention whilst also allowing a phased return to their full time education	£30k	
GCSE Pod	For Y11 to address gaps in Science knowledge		146
Literacy and numeracy catch up for Y7	Extra intervention groups with a HLTA for students in Y7 who have greater gaps in knowledge due to lock down.	£42.7k	
PLC Manager	Mental health support for Y11 and Y10 students who have found return to full time provision challenging. Support for targeted pupils, identified through RAG and Praising Stars to catch up core and option work with dedicated small group provision.	£9.8k	

Safeguarding support	Additional staff have been trained in level 3 safeguarding in order to support students who may have been impacted during the lockdown from not being in the academy.	£1k
