ENRICHMENT AT OUTWOOD ACADEMY BISHOPSGARTH

Education is more than learning in the classroom, it is also about activities that enrich your life through new experiences and opportunities.

We want you to look back on your days at Outwood Academy Bishopsgarth with fondness and the memories you create by attending the enrichment opportunities available to you will stay with you forever.

Attending enrichment is a great way to meet new people, make new friends, try out new activities, master skills and knowledge you already have as well as have lots of fun.
