

# Y11 GCSE BOOSTERS

|           |               |
|-----------|---------------|
| Monday    | Maths - H45   |
| Wednesday | English - H24 |
| Thursday  | Science - S34 |

*Enrichment*

*Best year yet!*

*Enrichment*

**Half Term 1**

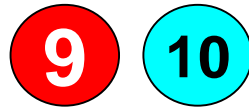

## Monday

### The Book Cabin

An opportunity for readers who wish to pursue more advanced books with more mature themes than we study in the curriculum.

*Sign up with Miss Pottage*

YEARS

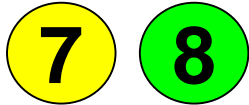

LOCATION  
M1

## Wednesday

### Resilient reader club

*Invite only - speak to Miss Clark.*

YEARS

LOCATION  
H17

## Wednesday

Covering all aspects of the Language and Literature exams.

YEAR

LOCATION  
H24

## Monday

This is a fantastic opportunity for students to get time to practice exam style questions and look at topics that may not be on the scheme of work until later in the year. This will all help in preparation for your Staple Challenges that start before October Half Term.

YEAR

LOCATION  
H24

# Science

## Thursday

Year 11 enrichment will be on Thursdays for Science. There will be rooms available for subject specific work in Biology, Chemistry and Physics. We may invite you into one of these rooms to support your learning. We will also have 'free study rooms' where staff will be able to answer questions and guide you through general areas of science.

We are looking forward to helping make this the best year yet!

YEAR

LOCATION

S34

# Music

## Thursday

Music Club

Music club is your opportunity to take part in a range of musical activities. You can practise individually or join in with group collaborations.

## Friday

Musical Theatre Club

Musical theatre club is a new and exciting opportunity to learn amazing drama skills, get involved in musical theatre performances and prepare for our annual school production.

# History

## Friday

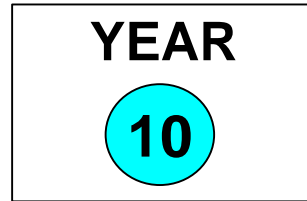

### Young Historians

This is a great opportunity to engage with subjects of the curriculum and stretch your history prowess! Come and join Miss Worthington in an exciting and fun filled enrichment lesson.

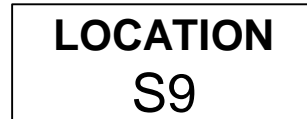

## Friday

This is a fantastic opportunity to recap and memorise key events, people and dates from our studies through a variety of activities including mind mapping, huge timelines, interviews, role play and more. This first term we will be preparing for our Assessment on Medicine.

## Friday

Year 11 History Intervention is the place to be on a Friday afternoon. Covering both exam technique and knowledge building this will guide you in your study and improve your lesson performance.

Get yourself there and join in!

# Geography

## Thursday

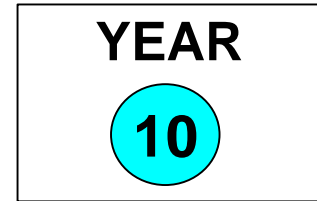

### Young Geographers

Ever wanted to make pumpkin globes or earthquake proof buildings? This is the club for you! Come along and immerse yourself in the superb world of Geography

## Thursday

Go deeper into the GCSE Geography curriculum learning about people and places that we can't fit into the regular lessons.

## Friday

Maximise your knowledge and skills ready for your GCSE exams as each week we do a deep dive into a case study.

# Languages

## Wednesday

Are you, quite simply, just interested in language? Or do you sometimes wonder why the Germans don't put all the words in the "right" order? Have you wondered why the endings of common words just keep changing? Are you a bit frustrated when your teacher says, "Just learn it, it's too complicated to explain it."

Are you a bit of a German Grammar Geek (like Mr Young)? If so, now's your chance! Become an official Outwood Academy Brumby "German Grammar Geek".

Come to H10 on Wednesdays after school to get all the answers to those language questions you've always wanted to know, but there's not been time.
