### **16-19 Tuition Fund Statement 2022/23**

The Education and Skills Funding Agency (ESFA) has made a funding allocation available nationally for the 2022/23 academic year. It is ring fenced for 16-19 education providers to support students who have yet to achieve a GCSE Grade 4 in Maths or English and to mitigate the disruption to their learning from the coronavirus (Covid 19) pandemic.

This academic year the academy has opted out of the small amount of funding (approximately £300) as there are no students resitting GCSE Maths and English and there is no obvious need based on the criteria for the funding.
