Term 1 2025 ENRICHMENTS @ OUTWOOD GRANGE ACADEMY

Welcome to the Outwood Grange Academy Enrichment Programme. This booklet contains information on all the enrichment activities available from Monday 15th September 2025.

Each week there are over 50 different enrichments and catch up sessions available and you can find constructive and enjoyable activities to take part in every week.

Why attend enrichments?

There are two main reasons to attend the after academy activities on offer. Firstly, catch up sessions are a fantastic tool to help accelerate your academic achievement. Whether you missed a lesson, want to improve your depth of knowledge or need help with coursework then catch up sessions will provide you with one to one tuition from a range of staff in each department. Secondly, enrichment activities allow you to gain experience and skills in areas not typically part of your everyday curriculum. Enhancing your personal attributes by opting to gain new experiences is extremely desirable to future employers and higher education providers.

Who can attend?

Everyone! Whether you're in year 7 or 13 there is a huge range of after academy sessions to choose from. Some activities are specifically targeted at individual year groups or key stages and this information is provided in the title of each enrichment. Enrichments that are open to everyone are a great opportunity to make friends in other year groups.

What is available?

Whatever your needs or interests there are multiple activities to get involved with. The selection of activities are organised by department in alphabetical order, or take a look at page 3 for a view of weekly enrichments at a glance. If there's an enrichment you would like to take part in that isn't currently offered, mention it to your appropriate subject teacher.

Do I need to sign up in advance?

No! For enrichments that are targeted towards specific students it is clearly stated in the title. Although you don't need to sign up in advance, speak to your subject teacher before attending, to find out what you may need to bring with you and so that any resources you will use can be provided. Occasionally enrichment sessions may need to be cancelled, such as when there is bad weather. You will be made aware of this at the very first opportunity so that you can plan your journey home.

When do enrichments run?

Enrichments run after the academy day from 14:50 pm to 15:50 pm.

We look forward to seeing you there.

Regards

All the staff of OGA

ENGLISH

The English department offers a range of catch-ups, interventions and extra exam preparation which run at different times according to need. English department staff will make students aware of these at the appropriate times, and students are also invited to ask their class teacher if there are sessions that are taking place in the department that they would find useful.
