### 2023-2024 - Summary for current Academic year

**Context:**

- An improvement in attendance and basics outcomes for students overall, however, the gap between PP and non PP still exists.
- Post-covid gaps and students with high levels of absence, are still struggling at KS4 in regard of outcomes.
- An increase in the number of students requiring intervention for Literacy in Year 7, on arrival.
- An increasing number of students in the Academy from disadvantaged backgrounds.

**Ongoing strategies:**

**BEHAVIOUR:**

- Staff CPD - focus in L&P on trauma informed approach, ACEs and de-escalation - supported by educational evidence.
- PLC, PDC and Bridge support areas

**LITERACY:**

- Accelerated Reader
- Miskin Program
- STAR Reading assessments
- Literacy curriculum lessons
- 2 Intervention Teachers

**ATTENDANCE:**

- Additional staffing, through COVID support funding to widen the team, to improve attendance.
- Targeting of FSM students as a priority.

**Innovation:**

**BEHAVIOUR:**

- Introduction of Pastoral Leads (2 posts)
- Elevate Class - in place for Year 7/8
- Additional SENDCo - SENDco teaching Elevate
- Central Step Out area - to support students who reach C4.
- Provision in Inclusion Spaces - structured timetable of Interventions.
- Widening support networks to support the most vulnerable (Barnados / Prince's Trust support.)

**LITERACY:**

- ESOL trained TA to support students without English
- Specialist Literacy TA - to lead Miskin work in a more focussed manner
- Deeps Rol e- with a focus upon EAL.
- Morphology of vocabulary and focus upon prefix - to further develop literacy work.

**ATTENDANCE:**

- Additional EWO added to the structure - so 2 based in the Academy.

**Rationale:**

**BEHAVIOUR:**

- Some behavioural issue were evident in some of the most vulnerable learners, the Elevate curriculum enables consistency (1 teacher for 10 hours) to bridge the gap from Primary school and ensure needs are met effectively.
- Central Step Out is ensuring a more consistent approach to support students struggling in lessons.

**LITERACY:**

- Continue to support those students with EAL, whilst widening the number of students being support through the Miskin approach with clear leadership from the Specialist TA.

**ATTENDANCE:**

- Size of the school dictates the attendance case load is high; to fully target and support attendance this is required. All key groups are showing improvement year on year, apart from FSM.

### Part A: Pupil premium strategy plan

#### Statement of intent

This strategy sets out how the Academy plans to support our Pupil Premium students. This is driven by the Academy Trust vision of “Students First: Raising Standards and Transforming Lives.” At Outwood Acklam, we strive for all students to always be the best that they can be, and this statement intends to support this aim by removing any barriers to success.

The intent of this strategy is specifically outlined below. As a result of this strategy we aim for:

- Students improve their reading and literacy skills, specifically during KS3, in order to bridge any gaps in their reading age, to enable students to fully access their curriculum and improve progress and outcomes at GCSE. With careful attention to support for students who English is an Additional Language or are new to the country.
- Students’ attendance will improve significantly, and the number of students with Persistent Absence issues reduces.
- Students’ ability to regulate their own behaviours and emotions, will improve, due to improved packages of intervention and support; as a result of this the number of suspensions will reduce.
- Ameliorate the gap between the achievement of those who are disadvantaged vs their peers who are not; with particular attention paid to other vulnerable groups such as those who are not working at the expected standard on entry as well as those with additional SEND needs.

### Challenges

This details the key challenges to achievement that we have identified among our disadvantaged pupils.

Challenge number	Detail of challenge
1	<i>Literacy skills entering Year 7 are lower for students who are eligible for Pupil Premium than for other students, which prevents them from making good progress. Post pandemic there are visible gaps in Pupil Premium students reading ages and access to learning.</i>
2	Attendance rates for students who are Pupil Premium are lower than for other students, which reduces their number of school learning hours and as such impedes their progress. Persistent absence figures for Pupil Premium students have increased.
3	Suspensions, although reducing, are higher than the Academy would like. The amount of learning time lost for some students then has a further detrimental impact on their education. This is particularly evident in disadvantaged and SEND cohorts.
4	The transient population of students, in particular, those that are arriving new to the country, means that the full curriculum carefully planned and selected is not covered. Resulting in foundations of learning being missing and in some cases, low levels of English hindering access to the curriculum.

### Intended outcomes

This explains the outcomes we are aiming for **by the end of our current strategy plan**, and how we will measure whether they have been achieved.

Intended outcome	Success criteria
<p><i>Students improve their reading and literacy skills, specifically during Year 7 to Year 9 to support improved progress and achievement in all subjects</i></p>	<p>Students eligible for Pupil Premium in Years 7 - 9 make more progress by the end of the year than 'other' students with the ambition that 100% of Pupil Premium students meet expected targets.</p> <p>Miskin Students improve their phonics abilities.</p> <p>Elevate students show improvements in their English across the Academic year from PS2 to PS6.</p> <p>Other students still make at least the expected progress. This will be evidenced using accelerated reader assessments and Praising Stars data, English assessments in December, April and July and increased reading ages of Pupil Premium students.</p>
<p>To improve and support attendance figures for all Pupil Premium students</p>	<p>Reduced number of persistent absentees (PA) among students eligible for Pupil Premium (by at least 10%)</p> <p>Overall attendance among Students eligible for Pupil Premium improves and the current gap of difference compared to non Pupil Premium students reduces further.</p>
<p>Students lose less learning time, due to a reduction in suspensions. Students' needs are better met in school through a wide package of behavioural and academic support.</p>	<p>Reduction in suspensions - as a % of roll.</p> <p>Reduction in number of students with suspensions.</p> <p>Reduction in number of students who are SEND or disadvantaged, who are suspended.</p> <p>Personal Development Centre and Personalised Learning Centre packages of intervention are impactful, and allow students to better manage their emotions/behaviours.</p> <p>Earlier intervention reduces the number of students who become behavioural recidivists.</p>

## Part B: Review of outcomes in the previous academic year

### Pupil premium strategy outcomes

This details the impact that our pupil premium activity had on pupils in the 2022 to 2023 academic year.

<b><i>Summary of outcomes results 2023:</i></b>				
<b>Area</b>		<b>Pupil Premium</b>	<b>All Students</b>	<b>Non Pupil Premium</b>
<i>English</i>	<i>Grade 4+</i>	<i>51.7%</i>	<i>65.2%</i>	<i>76.2%</i>
	<i>Grade 5+</i>	<i>37.5%</i>	<i>53.2%</i>	<i>66.0%</i>
<i>Maths</i>	<i>Grade 4+</i>	<i>42.5%</i>	<i>54.3%</i>	<i>63.9%</i>
	<i>Grade 5+</i>	<i>28.3%</i>	<i>36.7%</i>	<i>43.5%</i>
<i>English and Maths</i>	<i>Grade 4+</i>	<i>40%</i>	<i>52.4%</i>	<i>62.6%</i>
	<i>Grade 5+</i>	<i>24.2%</i>	<i>34.8%</i>	<i>43.5%</i>
<i>Achievement 8</i>		<i>28.38</i>	<i>36.09</i>	<i>42.38</i>

There is clearly still a disparity between outcomes of those disadvantaged students, and those who are not.

## Pupil premium strategy statement

**2023-24**

Further robust measures have been put in place for the coming academic year to try to ameliorate the gap and further focus upon the achievement and outcomes for those students.

It is clear that there needs to be a greater focus upon literacy, to ensure that all students - in particular those from a disadvantaged background - can access their education. In addition to the lack of resilience shown by a number of learners in this cohort. The Academy has widened its support package and the agencies/services it works with to ensure that appropriate support is in place moving forward.
