

PERSONAL DEVELOPMENT AND GROWTH

Personal Development and Growth

Curriculum

Our provision for personal development and growth is coherently implemented across the Trust and localised to meet the unique identity of each academy and its local community.

Our personal development and growth curriculum equips students with the knowledge, skills, and attributes they need to lead safe, healthy, and fulfilling lives. It covers key aspects of personal, social, health and economic education (PSHE), relationships and sex education (RSE), and citizenship, supporting both statutory requirements and local context.

We deliver personal development and growth through the allocated session each day which includes assemblies, tutorials, and Vote for Schools. We deliver statutory RSE through carefully planned and age-appropriate lessons, covering topics such as consent, safe sex, contraception, domestic abuse, and peer-on-peer abuse. Our delivery is informed by national guidance and responsive to local and emerging needs.

Spiritual, Moral, Social and Cultural (SMSC) development and appreciation of British Values

British values and SMSC are integral parts of academy life, however by their very nature they will be addressed more frequently and in more detail during personal development and growth sessions. These areas focus on the development of the whole student and are whole academy responsibilities. Academies are conscientious in accurately monitoring these aspects of the curriculum both across lessons and within the whole academy experience.

Personal, Social, and Health Education (PSHE) and Relationship and Sex Education (RSE)

From 2020 RSE is a statutory requirement in all schools in England. Our schools monitor the requirements of RSE across subject delivery and through age appropriate guidance delivered within our personal development and growth sessions and calendared year group events that are delivered by external agencies and groups. Subject leads ensure they are familiar with the statutory guidance and regularly check for updates or changes to the guidance. Within this curriculum there are a range of laws which students are introduced to, supporting their understanding of the modern society to which they belong.

PSHE and RSE are whole academy responsibilities so whilst a large part of this curriculum will be covered in personal development and growth sessions it is not restricted to this time but rather underpins our academies' wider curriculum delivery. Academies are conscientious in accurately mapping their compliance and regularly reflect and update this.

A Whole Academy Approach

All subjects across the curriculum support the exploration of PSHE, RSE, SMSC and British Values coherently mapping appropriate aspects of this coverage to their subject schemes of work for example rule of law, democracy and individual liberty are taught through history whilst English and the arts support the appreciation of the influences that have shaped our heritage and those of others. Our IT departments teach online safety, PE fosters an awareness of physical health and fitness and science teaches the facts about puberty, reproductive health, including fertility and the potential impact of lifestyle on fertility for men and women. By doing this we not only develop and deepen the knowledge our students have, but to also ensure that we have a coherent, consistent delivery model.

Our daily programmes support our students' holistic development and understanding of these important aspects of our curriculum. A wealth of opportunities designed across the academic year provide both whole school and age appropriate events, programmes, trips and visits. We promote national and local awareness campaigns, observe local and national commemorations and celebrate diversity, empowering students to engage more widely in their personal, social, health, moral, spiritual, cultural education.

Opportunities such as our random acts of kindness initiative or student voice and enrichment programmes operate in our academy reflecting the needs and concerns of the student body.

The most important and guiding factor when devising our curriculum is to ensure that our students are given all the skills, knowledge and experience they need to effectively prepare them for their future in an ever-changing world. Our intent is to equip our students as global citizens and support them in becoming an efficient and contributing member of society who is able to stay safe and care for those around them.

Personal Development and Growth Curriculum Overview

Key stage 3 - Y7-9

Outwood Reads	Outwood Personal Development and Growth	Outwood Futures	Assembly	Votes for Schools
----------------------	--	------------------------	-----------------	--------------------------

Key stage 4 - Y10-11

Academic mentoring	Outwood Personal Development and Growth	Outwood Futures	Assembly	Academic mentoring
---------------------------	--	------------------------	-----------------	---------------------------

Key stage 5 - Y12-13

Academic mentoring	Outwood Personal development and growth	Outwood Futures	Assembly	Academic mentoring
---------------------------	--	------------------------	-----------------	---------------------------

Outwood Reads

Outwood Reads is a Trust-wide reading initiative built on research that demonstrates the academic, social, and emotional benefits of being read to — even in adolescence. The programme offers:

- **Shared reading experience**
- A curated list of diverse, challenging, and high-interest texts, including fiction and non-fiction
- **Teacher-led reading** to model fluency, prosody, and comprehension

	Year 7	Year 8	Year 9
--	---------------	---------------	---------------

Non-fiction	Rescue - a collection of non-fiction stories	Survivors - a collection of non-fiction stories	Heroes - a collection of non-fiction stories
Classics	The Wizard of Oz by Frank L Baum	A Study in Scarlet by Arthur Conan Doyle	Dark Tales by Shirley Jackson
Celebrating diversity	A Kind of Spark by Ellie McNicoll	Future Hopes Anthology	Run, Rebel by Manjeet Mann

Outwood Personal Development and Growth

Outwood personal development and growth timetabled 30-minute session embedded into the new school day across all Outwood secondary academies.

This curriculum ensures every student receives a consistent, high-quality education in key areas:

- Relationships, sex and health education (RSHE)
- Citizenship (following the National Curriculum)
- Personal, social, health and economic (PSHE) education
- Fundamental British Values
- Character development and life skills
- Exploration of different faiths and cultures (KS4 and KS5)

Year 7								
Relationships	How can I manage my transition to secondary school?	How can I handle my emotions positively?	What are the characteristics of a healthy relationship?	How important are friends for happiness?	Why is bullying a problem?	What makes a family?	What are the roles and responsibilities in a family?	

Health and wellbeing	How can I maintain my personal hygiene?	Where can I get help when I am unwell?	How can medicine keep me well?	How can what I put into my body have an impact?	How can what I put into my body have an impact?	How does sleep impact my health?	How can I care for my mental wellbeing?	
Citizenship and the wider world	What are British Values?	What makes up my identity?	What are the benefits and drawbacks of multiculturalism?	What liberties and freedoms do I have in the UK?				
Citizenship and the wider world	Why do we have laws?	Who should I go to for help?	What is the role and purpose of the police?	How are young offenders treated?	What does the law say about equality?	What are prejudice, discrimination, racism and stereotypes?		
Citizenship and the wider world	Why volunteer?	Should I give to charity?	Why is community cohesion important?	What is active citizenship?				
Personal safety	How can I keep safe?							
Year 8								
Citizenship and the wider world	What are Human and Children's Rights?	What is the history of Human Rights?	What happens when HR are ignored?	What is the history of disability rights?	What is the history of LGBTQ Rights?	What do Human Rights mean in Chesterfield?		

Citizenship and the wider world	Who does our government govern?	What is parliament and who are the Lords?	How are laws made?	What do local councils do?				
Health and wellbeing	How can I care for my mental wellbeing?	What can have a negative impact on my mental wellbeing?	How can I keep my mental wellbeing healthy?	What makes a relationship fair and equal?	How can I manage my time and study well?	How can I help in a mental health crisis?		
Relationships	What is consent and why is it important?	What does sexuality mean?	What can go wrong in a relationship?	What do I need to know about sexual relationships?	What do I need to know about sexual health?	What do I need to know about fertility?		
Health, wellbeing and personal safety	What are illegal and legal drugs?	What does the law say about drugs?	What are legal drugs, vapes and prescription medications?	What is the impact of drug taking?				
Personal safety and Citizenship	How do I stay safe online?	How social is social media?	How trustworthy is the news?	How real is the online world?				
Year 9								
Personal	How far can I	What is the	What should I	What are the	How can what I			

safety and Citizenship	trust what I see online?	impact of influencers?	share online?	dangers of sexting and nudes?	watch online hurt me?			
Personal safety	What is a gang?	What is exploitation?	What are the dangers of carrying weapons?	Case study	What are cyber and organised crime?	How can I recognise radicalisation and extremism?		
Health and wellbeing	What are drugs?	What does the law say about drugs?	Is there such a thing as safe alcohol consumption?	How can alcohol impact physical and mental health?	Is vaping really safer than smoking?	How can smoking and vaping impact physical and mental health?		
Relationships	What are choices and boundaries in sexual relationships?	What are the characteristics of healthy and successful relationships?	What happens when relationships go wrong? 	Is going to university worth the cost?	Make Your Money Work: What are the Benefits of Investing?	Future You: Planning for a Comfortable Life with Pensions & Smart Investing	Ready for the Real World: A Guide to Money, Choices, and Your Financial Future	Ready for the Real World: A Guide to Money, Choices, and Your Financial Future			

Assembly programme

The Outwood assembly programme is a core part of the personal development and growth model and includes resources from the High Performance Foundation which explore the competencies in the Outwood learning competency framework such as goal setting, collaboration, and positive mindset. Key features include:

- Weekly assemblies
- Awareness event assemblies for each Key Stage
- Integration with the High Performance Foundation's Game Plan, which includes video interviews with high achievers and role models

Votes for Schools

Votes for Schools is an innovative platform that engages students in weekly discussions about current social, political, and ethical issues. Each week, students. For more information please visit their [website](#).

Academic mentoring

Academic mentoring provides targeted academic support for Key Stage 4 and 5 students. The aim is to:

- Use consolidation and revision materials linked to the English language, literature and maths' specifications to build on students' prior learning in their classrooms in order to reinforce, expand and build further confidence in this learning.

Academic mentoring is embedded within the wider personal development framework, ensuring students receive individualised support as they prepare for key examinations and transitions.

If you would like to discuss personal development and growth please contact the academy on 01246 230550/enquiries@newbold.outwood.com
